

SPECIFICATIONS

Product Description: **KNEE PAD**
 Part Number: **6991-01Q**
 Style: **WELDING**

GENERAL DESCRIPTION:

Tough heat-resistant leather that wraps over the top and down the back of the pad offering maximum protection from flying sparks. Soft cushioning ensures comfort. Elastic straps maintain a secure fit with the convenient quick release buckle. Non-marking poly cap increases protection. Because of its resistance to heat, this knee pad is ideal for welders, or any construction application such as concrete or flooring work.

EXTERIOR SHELL:

- Suede Leather
- Tan
- Leather wraps overtop & down the back

INTERIOR SHELL/INNER PAD:

- Nylon construction for longer wear
- EVA foam pad for comfort

STRAPS:

- 1½" (3.8 cm) elastic dual straps
- Polyurethane quick release buckle
- Easy to adjust
- Sewn on

KNEELING CAP:

- Riveted to pad
- Non-Marking
- PVC cap
- Anti-slip
- Non-replaceable
- Water and oil resistant
